

Media Literacy Education

Professional Development Series

2020-2021

**Courses are designed as 14-hour experiences and worth 1.0 USBE Lane Change Credit; though, participants can choose to forfeit the project and receive relicensure credit for seat time.*

COURSE 1: Lights, Sound, Cameras, Action!: For teachers who want to improve their filming and editing skills.

COURSE 2: Creating Media with Adobe Spark: For teachers who want to do graphic design; short films; and web Stories, free and easy.

COURSE 3: Podcasting Basics: For Teachers Who Want to Better Document What Goes on In Their Classroom, or Incorporate Audio Stories Into Content Instruction.

COURSE 4: Web Stories & Digital Portfolios in Google Sites: For Teachers who need an easy, professional, and versatile platform for student design, exhibition, and project assessment
